Fifty-two years is a long time, but that doesn't mean one has to stop having fun. Last week, a group of zany gals from the Fresno High School Class of 1958 gathered at Dorn's Restaurant in Morro Bay for their annual get-together, this time with a twist — each decorated a crazy hat for a crazy fashion show.

Every year they get together in a different town and Gari Cave, owner of Garden House, brought her dear, sweet friends to Morro Bay this year to also collectively celebrate their 70th birthdays. Gari said they kept the hats hidden from each other and the dinner guests at Dorn's had a real hoot judging the contest.
